

# Formats and metrics in pension offer selection:experiment on reducing errors

Overview

## OSF-Standard Pre-Data Collection Registration

### Has data collection begun for this project?

Please choose (optional)

- Yes, data collection is underway or complete

### Have you looked at the data?

Please choose (optional)

- No

### Other Comments

(optional)

Data collection is ongoing following the design described in the pre-analysis plan included in this repository. A Github repository that contains all experimental design code, institutional research agreements, funding information and ethical approval, among others, has been linked to this registration.
